# Master Gardener Program

*Cultivating Plants, People, and Communities since 1973*

## VISION

---

Highly recognized, diverse and fully supported, WSU Master Gardener volunteers are the go-to resource for communities seeking research-based, innovative solutions for their ever-changing horticulture and environmental stewardship needs.

## MISSION

---

Engaging university-trained volunteers to empower and sustain diverse communities with relevant, unbiased, research-based horticulture and environmental stewardship education.

## VALUES

---

We value personal and professional **research** and **discovery** because it encourages us to stay current about horticulture and environmental stewardship to meet the unique educational needs of our communities.

We foster and benefit from an atmosphere of **diversity** and **inclusivity** because our differences inspire creative thinking and innovative solutions.

We act with **integrity** because trust, truthfulness and respect create a healthy and positive culture.

We are committed to **stewardship** and **sustainability** serving as ethical and responsible agents of our natural resources, human resources and University resources.

We **collaborate** because together we **empower** healthy and resilient communities.

We are a **dynamic** and **responsive** program where **knowledge** inspires change.
