

2021 Cascadia Iris Gardens “Iris 101” Class Series

Iris 101 – The World of Iris

An introduction to the wonderful variety in the world of irises

Learn the cultural requirements of Bearded Iris, Beardless Iris, and the unusual Crested Iris. Discussions will include light, water, soils, and pest control. Discover how to use irises to achieve year-round bloom in your garden. Tour the gardens with Patrick to get an in-depth look at the variety of irises available.

May 29, 1:00pm – 4:00pm

\$10 per person Class size is limited to 10 people

Iris 101 – Culture

How to dig, divide, and properly care for your irises

Join Patrick while he walks you through everything you need to know to grow beautiful, healthy irises. Tips covering the best cultural practices will be shared. These are hands-on classes where you will get to dig, divide, trim, and replant irises.

Bearded Iris Culture – August 7, 9:00am – 12:00pm

Beardless Iris Culture – September 19, 9:00am – 12:00pm

\$20 per person, per session Class size is limited to 10 people

Iris 101 – Hybridizing

Everything you need to know about hybridizing irises

Join Patrick as he shows you the ins, outs, and secrets of hybridizing irises. Learn a little bit about genetics, hybridizing strategies, and the physical steps necessary to successfully hybridize an iris.

Then return to harvest your seeds and learn how to prepare them to get the best opportunity for successful germination.

All supplies will be provided.

Selecting and Hybridizing the Irises – May 29, 9:00am – 12:00pm

Harvesting and Planting Your Seeds – September 19, 1:00pm – 3:00pm

\$40 per person for both sessions Class size is limited to 5 people
